

Philippe DURANCE

Professor

Research themes

history, concepts and methods of foresight
anticipation and decision in organizations
innovation models and social change

Professional career of Philippe Durance

Philippe Durance is **Professor** at the **CNAM** where he holds the **Chair of Foresight and Sustainable Development**. Holding a PhD in Management Sciences, he is also a researcher at the *Laboratoire interdisciplinaire de recherche en sciences de l'action (Lirsa)* of the CNAM. He regularly participates in several high-level training courses (*AgroParisTech, EHESS, Essec, HEC, INET, Paris Dauphine, Sciences Po Paris, Sciences Po Lille, etc.*). He chairs the *Institut des Futurs souhaitables (IFs)*, a think tank dedicated to reinvention. The IFs aims to reintroduce long term thinking into decision-making and to provide a forum for controversy. It combines prospective reflections and experiments with a view to

sustainable development and around questions of general interest.
