

Silvia NAPOLITANO

Research Officer

Research themes

Development economics
Labor economics
Evaluation of public policies

Professional career of Silvia Napolitano

Silvia Napolitano defended her PhD thesis in Development Economics at the University of Roma Tre (Italy) in 2016.

After two years as a lecturer at the University of Nanterre and Tours, she joined the Center for Employment and Labor Studies (CEET). Since 2019, she is a postdoctoral researcher in the European Horizon 2020 project "Beyond 4.0".

Her current research focuses on the measurement of technological transformation and organizational practices of firms, as well as their socio-economic consequences, by mobilizing European surveys of employers and households.
